

# The Timmeh-o-Lantern

Supplies Needed: 2 pumpkins of about the same size, toothpicks, carving tools.

## Part 1: Timmy of ThinkGeek.com

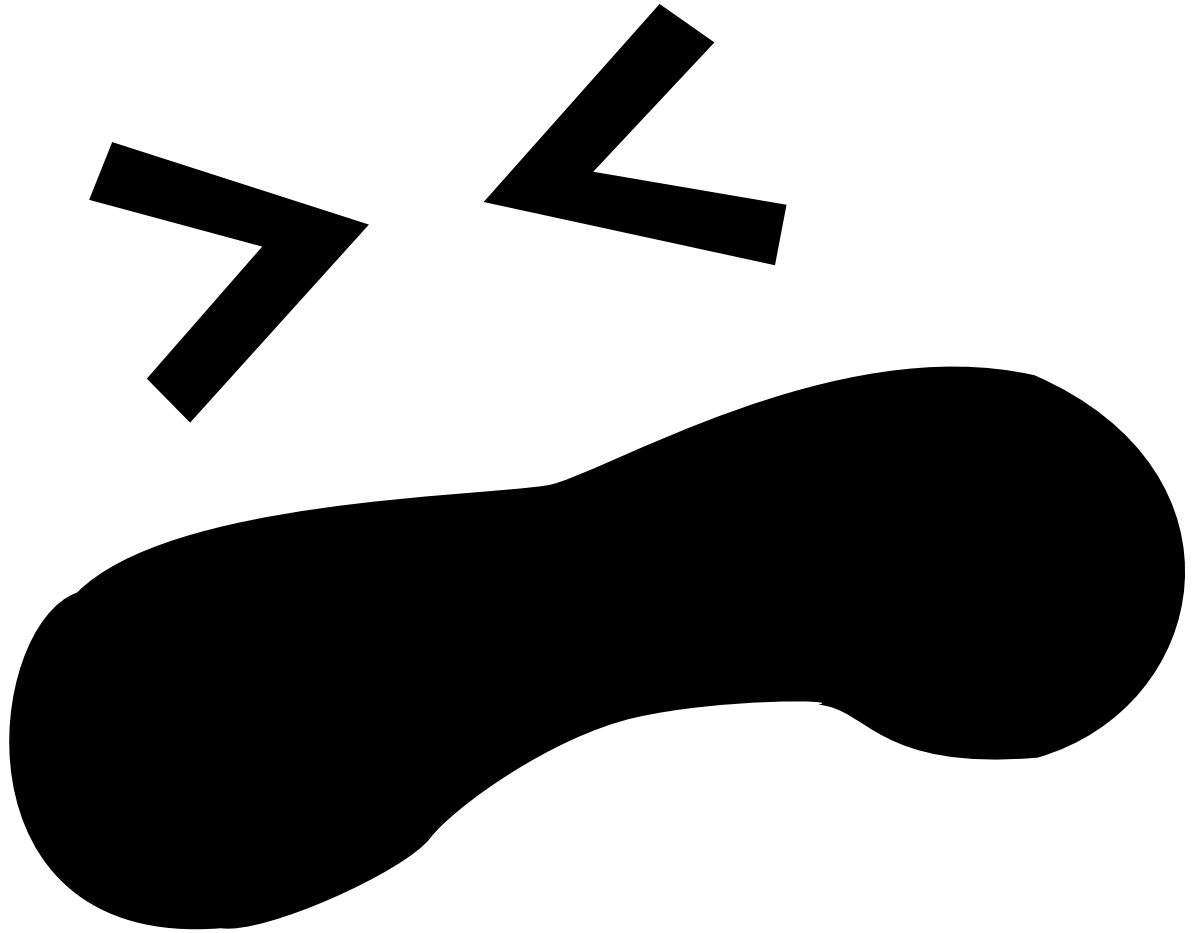

Trace and cut out Timmy's face on the front of your pumpkin. Don't worry about the ears.

Timmy's ears will be made from the mouth of the Pukin' Pumpkin. Use toothpicks to attach the ears to the side of the pumpkin. Trim if needed.

Use a tealight or battery operated candle to light up your timmeh-o-lantern.

# The Timmeh-o-Lantern

## Part 2: The Pukin' Pumpkin

Be sure to save your pumpkin guts when cleaning out your pumpkin.

Trace and cut out Pukin' Pumpkins face on the front of your pumpkin.

Carefully cutting out the mouth (remember this will be Timmy's ears).

Use the piece removed for the mouth as Timmy's ears.

Use toothpicks to attach his ears to the sides of the Timmeh-o-Lantern.

Proud display ur ThinkGeek.com Timmy pumpkins for all to see.
